

Fourteen fire tenders were used to douse the Gold Towers blaze

Fire in Bangalore tower, no casualty

BANGALORE: A major fire broke out in Bangalore's multi-storied Gold Towers building on Residency Road on Monday afternoon. According to sources, the fire broke out in the NYK Pub of the Konark Hotel, which is on the fifth floor of Gold Towers building. Police said that 14 fire tenders were put into service to douse the blaze. "The fire occurred between 1.45 pm and 2 pm in a shed on the roof of

Gold Towers. No casualties were reported. The fire has been brought under control," said Deputy Commissioner of Police G Ramesh.

In February, nine people died and 59 were injured in a fire at Bangalore's Carlton Towers. Most of the people, who had died then, jumped in panic to escape the smoke that engulfed the top-most floors of the seven-storey office building. ANI
